

California Earthquake Clearinghouse Virtual Workshop Webinar

November 10, 10:00-12:00

November 17, 1:00 – 3:00

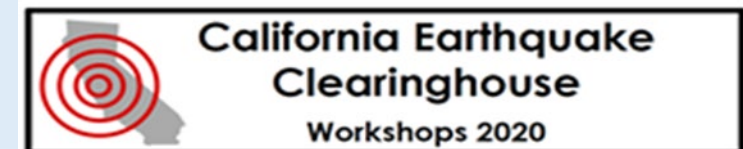

California Earthquake Clearinghouse Managing Members

Purpose and Goal of the workshop

- Improve and increase understanding of the Earthquake Clearinghouse purpose, how it works, and when it is activated.
- Explain who participates and how to be involved.
- Explain post event data collection, data sharing, and data access
- Explain the Safety Assessment Program (SAP)
- Explain the Disaster Service Worker Program as it applies to the Earthquake Clearinghouse.
- Present workshop 2X via webinar; will be posted online CaliforniaEQClearinghouse.org

This webinar is supported with funding under a cooperative agreement, EMF-2019-CA-00014, with FEMA/U.S. Department of Homeland Security
